Christmas Eve: Advent Series

December 24, 2022

Text: Luke 2:25-35

Which of the four advent themes do you need the most in your life right now (hope, peace, joy, love)? Why?

What are you waiting on God for at the moment?

Which promises of God are you relying on?

How do you experience the joy of salvation on a daily basis?

What would help you know God's love more?
