Abide

Feb 7, 2021

Text: John 15:1-11

Why do you think so many Christians have lives that look nothing like Christ?

What does your current Rule of Life (official or unofficial) look like?

What bad things need to be cut out of your life?

What unfruitful (not necessarily wrong) things need to be limited or cut out to make room for better things?

What activities help you “abide in the vine”?

What practices would you like to add in, cut out, or change?
