Education or Experience?

October 4, 2020

Text: Matthew 7:24-27

In your walk with God, have you tended to lean more towards education or experience?

How can you continue to grow in Bible knowledge and godly wisdom?

What do your current rhythms of spending time with God look like?

What adjustments to your spiritual practices would help you continue to grow?

Which aspect of the P.R.A.Y. acronym (Pause, Rejoice, Ask, Yield) do you find most difficult?

How can you specifically work on that area in that coming weeks?
