Spirit Life : Ephesians Series

August 15, 2021

Text: Ephesians 5:15-21

Do you welcome advice from others or prefer to do things your own way? Why?

Which unwise use of time (wasting, working, wickedness) do you struggle with the most?

How can you begin to follow God's will more each day?

Are there any worldly things that you need to be emptied of?

What would help you be more filled with the Spirit each day?

Which result of Spirit-filling (worship, gratitude, humility) could you grow in the most right now?
