Text: 1 John 2:28-3:10

Do you feel like you have confidence in your walk with God? Why?

How have you experienced misplaced identity throughout your life?

What are some truths from Scripture that especially encourage you about what it means to be a child of God?

What can you do to help Christ's mission to free people from sin?

What are the good works that God is leading you toward right now?

Who is God calling you to love right now?
