Old vs. New : Ephesians Series

August 1, 2021

Text: Ephesians 4:17-32

How would you describe the way you dress?

Do you notice any hardness, darkness, separation, or impurity in your life right now?

Pray and ask God to make you a new creation who embodies holiness and rightness.

What are some of the “old things” that you need to remove from your life?

What is it going to take to actually get those old things gone for good?

What is righteous replacement that will take the place of the old thing?

How can you be more open to the work of the Holy Spirit in your life?
