August 23, 2020

Text: 1 John 5:6-12

How can you tell whether you actually know Jesus vs. just know about Jesus?

Who were the people that first shared the gospel with you?

Which kind of testimony about Jesus is more compelling for you historical (blood & water) or experiential (Spirit)? Why?

What is a step you can take to experience the eternal life God has for you on a daily basis?

What is a recent way you've experienced God? Who can you tell?

Which one of the T.I.P.S. (Tell, Invite, Pray, Show) for testifying are you going to do this week?
