Don't Worry: Sermon on the Mount Series

July 31, 2022

Text: Matthew 6:25-34

Do you tend to be more of a worried or calm person?

What are your biggest concerns in life right now?

Is there anything God is calling you to do about the things that worry you?

How often are you bringing these concerns to God in prayer?

What would help you remember to keep an eternal perspective about the troubles of this life?

Is there anything you need to do to simplify your life?

What do you need to do to seek first God's Kingdom?
