March 1, 2020

Text: Matthew 5:9, 5:21-26, 18:15-20

What is a positive example from your life where conflict was resolved using peacemaking?

How was conflict handled in your home growing up? How has your family of origin influenced the way you do conflict?

Do you lean more towards escaping or attacking in conflict? What would help you begin to practice peacemaking?

Is there a conflict (big or small) that you are dealing with in your life right now? What step is God calling you to take towards peacemaking & reconciliation in this situation?
